

KlamExtra®

With the two AFA proprietary extracts Klamín® e AphaMax®

The new Nutrigea product that combines the numerous properties of the two patented ex-tracts Klamín® and AphaMax®, tested by numerous scientific and clinical studies, and already tested for over a year with surprising results on the US and Asian market.

The properties of the two combined extracts are so extensive that their union in a single product (in the form of a drinkable solution, with a pleasant taste and increased assimila-tion), generate healthy effects at 360°!

KLAMEXTRA

BEVERAGE MIX (FOOD SUPPLEMENT) BASED ON THE TWO PATENTED EXTRACTS:

KLAMÍN® (PATENT NO. 9,522,167)

APHAMAX® (PATENT NO. 8,337,858)

NUTRIGEA®
your health at 360°
